

Greetings from NWA Classical Academy!

This document will help you prepare your child to take the K-2 Spring MAP Growth test. Please find our schedule for testing below.

Testing sessions will occur April 26th-May 5th.

Kindergarten - April 26-27

1st Grade - April 28-29

2nd Grade - May 3-4

What is MAP Growth?

MAP Growth helps teachers understand what students know today, so goals can be set to improve growth throughout the year. **Students cannot pass or fail this test.**

This test will not affect grades.

In fact, it's normal for students to only answer about half the questions correctly.

Given the challenges of learning from home, MAP Growth test results are especially helpful for us this year. **These results will help us know what students are ready to learn.**
